Believe . . .

# Believe . . .

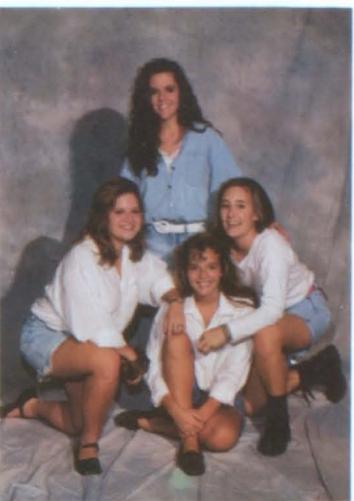

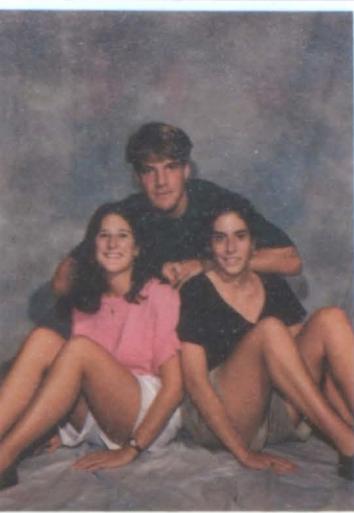

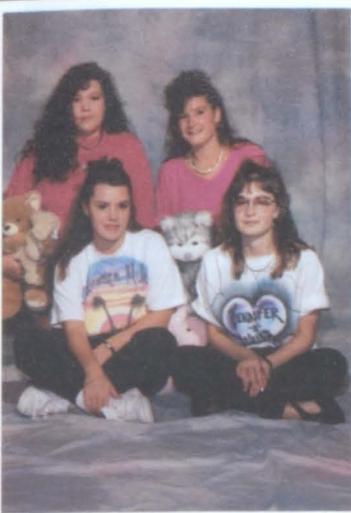

I am you and you are me  
Why's that such a mystery?  
If you want it you got to believe  
Who are we?  
We're who we are  
Riding on this great big star  
We've got to stand up if we're gonna be free yeah  
If you want it you got it  
You just got to believe  
Believe in yourself  
'Cause it's all just a game  
We just want to be loved  
The Son of God is in our face  
Offering us eternal grace  
If you want it you've got to believe  
'Cause being free is a state of mind  
We'll one day leave this all behind  
Just put your faith in God  
And one day you'll see it  
If you want it you got it  
You just got to believe  
Believe in yourself  
'Cause it's all just a game  
We just want to be loved  
The future's in our present hands  
Let's reach right in  
Let's understand  
If you want it you got to believe yeah  
If you want it you got it  
You just got to believe  
Believe in yourself yeah  
'Cause it's all just a game  
We just want to be loved

*"Few classes are lucky enough to have class advisors who really care about students. The Class of 1994 has been honored to have Mr. Howard and Mrs. Mavis as their class advisors. Their support and constant enthusiasm have been the driving force behind the success of our class. No matter how tired or busy they were they seemed to always have time to spend on class activities. Whether it was driving the prom committee to Chez Josef or spending a weekend at the Young Leaders Program, they have been the foundation for the Class of 1994. We would like to extend our appreciation and gratitude to Mr. Howard and Mrs. Mavis. Their overwhelming support has not gone unnoticed. Without them the Class of 1994 could not have reached great success!"*

**Back row-** Coach Bruce Corbett, Kris Kokofski, Brian Dudack, Rick Bombard, Justin Kaput, and Jason Chaney.

# Girls Cross Country

*"The Girl's Cross Country Team had a great season. This year was a rebuilding season. Although this year's record was not indicative of our effort and improvements, it provided a great foundation and learning experience for next year. With increased commitment, dedication, hard work, and a young team, next season promises to be even better."*

*"It was not only a challenging year by a lot of the players were newcomers to the sport, but we got by and had lots of fun and worked well as a team and that's all that counts. Winning isn't everything."*

-Katie Ashworth

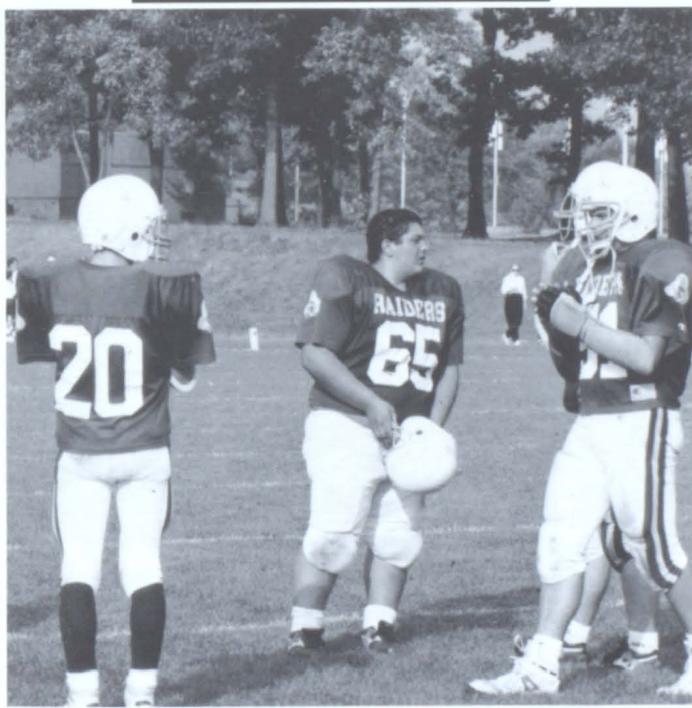

# Co-op Football

*"This season was a season of what could have been. We had enough talent to win the conference but not enough unity to win a game. The last half of the season we showed that we were a strong team despite our record but more importantly we learned that a team wins games, not individuals."*

**Above-** On Saturday Sept. 25, the Boys Varsity Soccer Field was commemorated in memoriam of Glenn T. Packard, a key contributer to the entire Suffield Sports Program. The commemoration of the scoreboard was dedicated in a ceremony before the start of the Fall Sports Festival Day.

For the most part, the Fall Sports Season was a time of developing young talent in hope of bringing attention to the quality of players and athletes that Suffield High School has to offer. Each of the teams are trying to form foundations upon which to bring league titles and state championships to a proud town. The town, in recent years, has been producing young talent which will enable every team to be a contender at the end of the season.

The Girls Varsity Soccer Team was coached to a very good season. The team will be returning with a very strong nucleus, losing only one starter to graduation, and aided by a very strong bench. Look for the soccer team to go places next year, maybe even to the state championship.

The Girls Junior Varsity Soccer Team was an inspirational lift. Coach Bob Clark has developed some young sophomores and freshmen into very skilled players, just waiting to test the Varsity level. They are definitely looking forward to their shot.

The Boys Varsity Soccer Team had a very uplifting year. The team entered the tournament with a record of 7-6-3 and lost in the qualifying round to Brookfield. The team had many emotional losses this year, and never really played at their potential. They have a very solid unit returning. Look for another tourney berth next year.

The Boys Junior Varsity had an unbelievable year, compiling a 16-0 record, and as a matter of fact, a school record. This play by the team

showed the other towns in the league what is to be expected in the future as most of the team from this year will have starring roles on Varsity next year.

The Boys Cross Country Team will lose over half the team to graduation. The returning team has some very good runners that will aid in a foundation for the future. But, thanks to Coach Bruce Corbett, he is sure to pull something out of his bag of tricks in order to have a successful year.

The Girls Cross Country Team will only lose one senior from the squad. The team will return with a very strong core as they look to improve on this year's season. With the young group, the girls can only get better.

The Co-op Football team was in its second year of existence. Ten boys from

Suffield made a valuable contribution to the team, led by All-Conference players George Akkouris and senior Jeff Walker. Look forward to an exciting year of football next year.

The Junior Varsity Field Hockey Team was led by a group of strong underclass students. Although very unexperienced, they never quit. There is now only room for improvement.

The Varsity Field Hockey Team will be losing only four members of this years team, which was the forward line and goalie. Many holes are needed to be filled for next season, but with the quality of players returning, look for a great season ahead.

# Boys Varsity Basketball

**Right-** Pat Sullivan rips down a rebound and looks to put it back up for two.

**Second row-** Sean Crowley, Dave Wilcox, Brandon Alexopolous, Scott Bikowski, and Pat Sullivan.

**Third row-** Eric Provencher, Chris Stone, Jay Emrick, and Coach Aniello.

*"This season was supposed to be a rebuilding year for the team. We returned no experienced players at the varsity level and were picked to finish last in the NCCC. A strong start gave us confidence and hope for a tournament berth. The one thing that is great with our team is that we are all friends."*

The Varsity Boys Basketball Team returned only two players to this year's team. With a new squad vying for position in the strong NCCC conference, the team made a respectable showing in the conference above all expectations. They showed a lot of heart on the court which enabled them to have a great year, one with a lot of emotion, down-to-the-wire games, and hard-fought battles that epitomizes Suffield High School Athletics. Their hard work earned them the respect they deserved.

Basketball Team came out in the same fashion as the varsity team did — a very new and inexperienced team. Coach Dan Sheridan chose a young team in an effort to develop some potentially future stars in the varsity level. Look for those gifted athletes to be wearing varsity colors in the future.

The Girls Varsity Basketball Team lost some key contributors from last years team. With a very young team, made up of juniors and sophomores, this team is definitely one that will make some noise in the league and the state within

the next two years. As the athletes mature, so shall their skill level, and then this team will have their day of glory. This team is just one of the many girls' athletic teams that shall soon get the well-deserved respect and support they have been wanting.

The Girls Junior Varsity Basketball Team has their share of young talent. A team made up of freshmen and sophomores is the team of the future and the hope for a tourney berth. As long as the team develops, the attitudes will develop and the players should learn that they too can win and will win.

with the right attitude.

The Varsity Cheerleaders! They led this school with school spirit all throughout the basketball season. In the time of need, the cheerleaders pumped us up on our way to victory. The cheerleaders are also very young. They are loosing only three seniors and have only one junior on the squad. Though the team was young, they improved throughout the year and amazed the crowd at the games with their interesting mounts and acrobatics. They have led us to victory, and they shall lead us in the future.

The Junior Varsity Cheerleaders were a very small squad. Though inexperienced, their heart and effort made us enjoy those long halftimes and boring time-outs. When the J.V. team looked to them for support, and the squad never backed down. Keep the spirit!

The Indoor Track Team had on of the largest turnouts for sign-ups in history. That allowed for very competitive meets in which the team produced a monumental record. The team was anchored by four hard-working senior captains which took most of the

pressure off of the younger runners so they could develop their speed and stamina. With a strong record and many highlights to the season, the team took a shot in the state meet, earning six medals. The team may loose a strong nucleus, but it won't lose that winning edge.

The Boys Ice Hockey Team played some very tough games this year with a very young, but talented, group of kids. The team managed to play with enough heart that carried them into the playoffs. Led by a strong first line, they took their individual skill and

with hard work and determination, made the winter of '94 season a memorable one.

The Womens Gymnastics Team put together a competitive season with many new highlights and personal best achievements. With a young team, the captains took the time to offer their skill to help out the newcomers, to try to put forth a winning team. The captains were also able to build a foundation for which next years team may grow on.

The spring season was a season of struggle for most of teams competing at Suffield High. Expectations were high for most of the sports this spring. The teams were full of young talent, which in the end, will produce a strong base on which to produce many winning seasons to come here at Suffield High School.

The Boys Varsity Baseball Team settled for a tourney berth with a very young, talented team that should produce a state championship title in the

Spring. The team had many highlights this season, the most notable being a no-hitter for Christian Quandt against Canton. That event seemed to spark a run that led into the tournament.

The Boys Junior Varsity Baseball Team has, for the last few years, been producing and developing young talent into promising Varsity players. Coach Keith Wiley is an inspiration to his players. Look for more young talent to reflect and help the Varsity level.

The Girls Varsity Softball

Team is probably the most notable team with the promise for a winning season. The season was a learning experience. Although they faced a tough season, they kept their spirits high and learned how to work as a team. They have the skill, the talent, and the spirit to pull off a championship season in the Spring, which was unthinkable a few years ago.

The Junior Varsity Girls Softball Team, coached by Katie Fischer, was a very inexperienced team, having most members freshmen.

They had a lot to learn about the game of softball, but when the season was over, their attitude was that of a highly stimulated team and their skills resembled that of a varsity team. Look for promise in the future.

The Boys Track Team was a very young team. The team has lost some very important athletes, but the team has a very strong group of underclassmen and with a strong in-coming freshmen class, the team will be one to be reckoned with out on the track.

The Girls Track Team has a very strong nucleus returning for a very, very promising season. The team, led by the Foster sisters, Erin and Lisa enjoyed a fine and prosperous year. The team, like most others at this school, have a young group of promising athletes that, with the proper training, will fill the void when the experienced runners graduate.

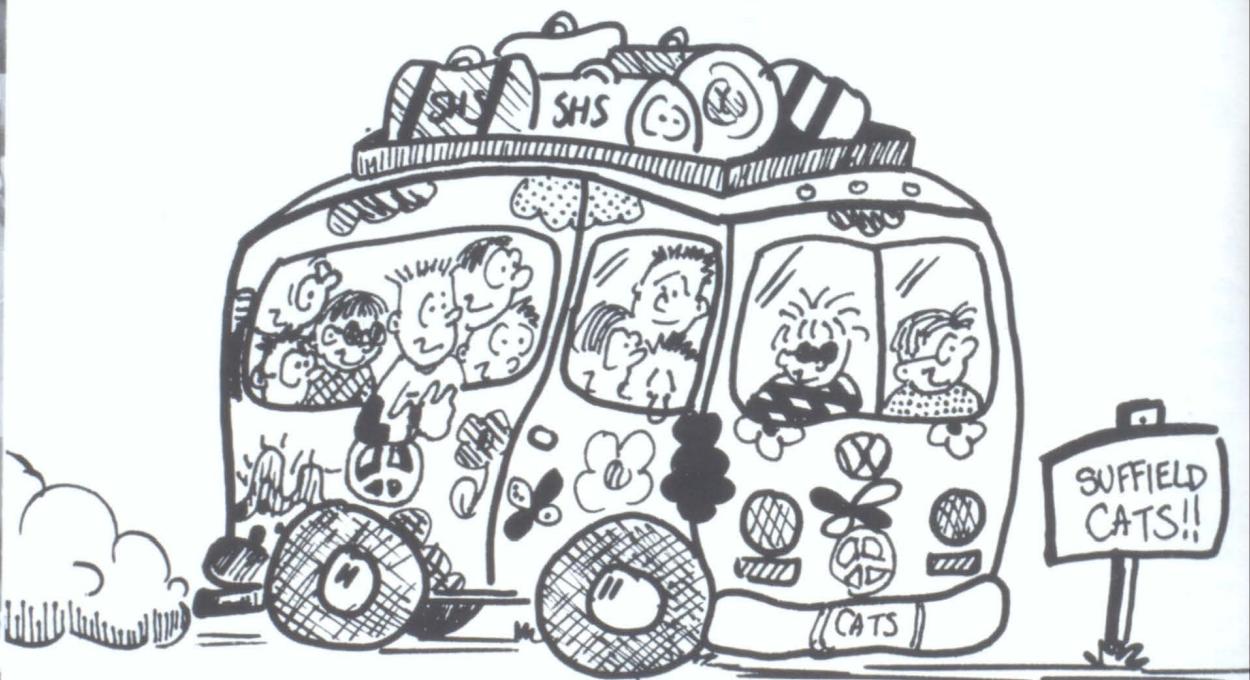

The Boys Tennis Team lost only one player to graduation, and will return to action with two all-conference players to

lead the way. The younger players will look to Joey and Mike to teach them the skills necessary to compete in the tough NCCC. Look for a strong outing this year when the team hits the courts.

The Girls Tennis Team returns to action this spring with a strong group of athletes looking forward to the tournament scene. The team is led by a feared junior who is one to be dealt with forthcoming. The team is also very young, with the athletes showing a lot of courage and heart. This is a team to watch!

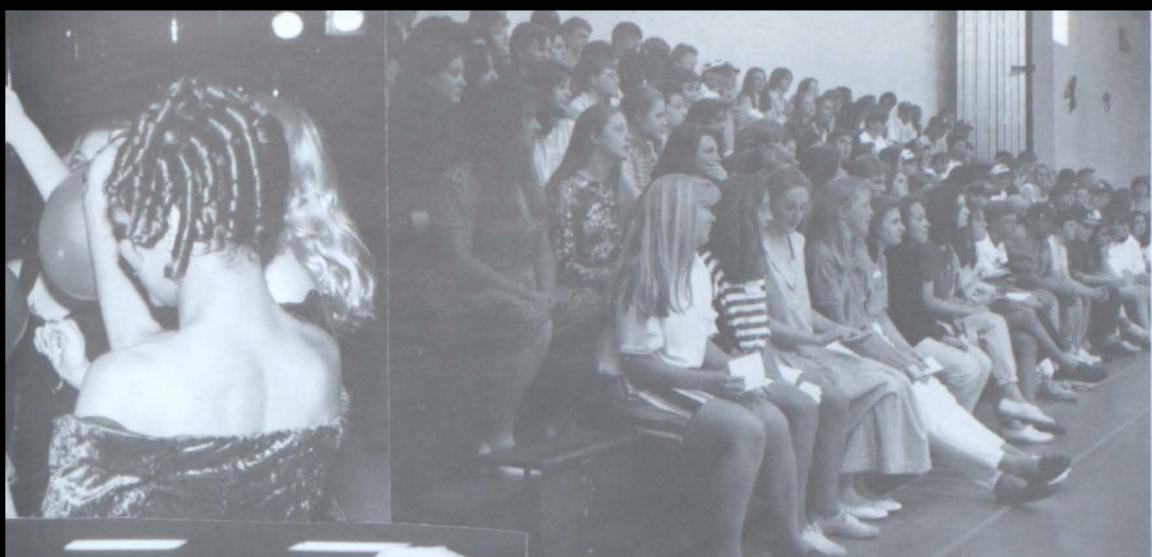

The Boys Golf Team is a young team. They return this Spring in full form, with all players returning. But they look to the underclass athletes for help to build up a small, but talented, quality team.

The Girls Golf Team lost five players to graduation. But don't fret, Mr. Baker and Mr. Grous always have something up their sleeve and should pull out a winning season. So, be on the lookout for something on the horizon.

# LIFE

## Henry van Dyke

Let me but live my life from year to year,  
With forward face and unreluctant soul.  
Not hurrying to, nor turning from, the goal;  
Not mourning for the things that disappear  
In the dim past, nor holding back in fear  
From what the future veils; but with a bold  
And happy heart, that pays its toll  
To Youth and Age, and travels on with cheer.  
So let the way wind up the hill or down,  
O'er rough or smooth, the journey will be joy;  
Still seeking what I sought when but a boy,  
New friendship, high adventure, and a crown,  
My heart will keep the courage of the quest,  
And hope the road's last turn will be the best.

Finally, to my parents, thanks for putting up with me and all my moods. Thanks for your help and guidance along the way. Without your love, believing in me, and sacrifices you've made. I would have never been the person I am today. I Love You and will miss you all very much! (Max, too!)

#### **Ben Friedman**

I simply wish to express my gratitude to all I know and leave you and excerpt form Carlos Castaneda's, "The Teachings of Don Juan": A Yaqui Way of Knowledge: "Anything is one of a million paths [un camino entre canticadas de caminos]." Therefore you must always keep in mind that a path is only a path; if you feel you should not follow it, you must not stay with it under any condition. To have such clarity you must lead a disciplined life. Only then will you know that any path is only a path, and there is no affront to oneself or to others, in dropping it if that is what your heart tells you to do. But your decision to keep on the path or to leave it must be free of fear or ambition. I warn you. Look at every path closely and deliberately. Try it as many times as you think necessary. Then ask yourself, and yourself alone, one question. My

benefactor told me about it once when I was young, and my blood was too vigorous for me to understand it. Now I understand it. I will tell you what it is; Does this plan have a heart? All paths are the same; they lead nowhere. They are paths going through the bush, or into the bush. In my own life I could say I have travelled long, long paths, but I am not anywhere. My benefactor's question has meaning now. Does this path have a heart? If it does, the path is good; if it doesn't, it is of no use. Both paths lead nowhere; but one has a heart, the other doesn't. One makes for a joyful journey; as long as you follow it, you are one with it. The other will make you curse your life. One makes you strong; the other weakens you." I love you and God bless.

#### **Alicia Galindo**

#### **Kimberly Ann Grabowski**

I leave K.Z. all my life stories, names that start with "K" - or at least that "K" sound!, boring nights in Suffield with the lil' brown buddy, 2 parents; or maybe we'll make that 1, stories of Y.I.C., and everything that goes along with it, a car to get you wherever you want to go - although you know I never minded, one really good stupor, and a magic potion to make you feel better in the morning. Mr. K.'s class - thinking back it was that bad, a REALLY big EXCUSE ME sign, a great big hearty laugh in the middle of Dairy Mart parking lot, a life sized Telly, a stordrone in the middle of Kay-bee, Saturday night color - fest, my red striped shirt and a sailor hat for the pageant, one month long distant phone bill, paid for, ice cream and soda at Friendly's, TCBY, all the restaurants that don't end in apostrophe's, a lifetime supply of sappy greeting cards, a volume for those stress full times when the stress level is 9, a clean room, stories of Peter and your first meeting with him, jerky boys, a good set of directions to the Buckland Hills Mall, a day where everything goes right, a walk in the canal, some change, a pin for that blister on your toe, the patients to deal with egotistical guys, the RIGHT movie from the movie store, M.B.'s entire wardrobe; one more story you really shouldn't be telling me; a SENSIBLE diet, a rule book for pool; a pound cake and coffee cake - to only be eaten while driving and laughing - no beverage; my John Denver record collection; some deodorant, - not the trial size; a half - hour car chase between Suffield and Enfield; a fast night with Debbie; that horrible night in mid January when Chris visited; a junior prom with one icky date - just so you can relate; a phone that screens out all unwanted phone calls; a stack of letters for you to read; and last, but not least, a shoulder and a hug, a great big thanks for your understanding and friendship, hope for the future, and a great big smiley face to top it all off! To M.S. I leave french class - gossip hour; a spare minute in between classes to catch up on the summer; semi - formal '92 - what a mess! English class with Stu; my life savings for your shoe collection; a pair of sneakers for gym; the very first animal I ever hit - sorry; a turtle sandbox for the cesspool; study hour at lunch; a good nap during history; your dad's Stealth; a pair of scissors to cut your nerves; some ice packs for the day after spirit night; an apology for almost killing you on the way back from the Holyoke Mall; a pair of the blue shoes from Macy's close-out; lots of thanks for the great memories and friendship you've given me. To T.B. I leave Life Ed. II; Mittmen; a Christmas tree farm; Chi Che Chan Gong; KNOPF; an evil eye for P.M. in Business Law; a

understanding ear for all those guy stories; an apology for that weekend you didn't get it - please don't be jealous; and a bag of sunflower seeds. To S.L. I leave zit and meat sauce; a super - duper hiccup remover; all of my Elvis paraphernalia; an understanding of precalculus; the Steve Miller Concert; french class; a place and fixings for a party - that won't fall through; a closet door full of New Kids pictures and a volume for the girl behind us with an attitude and a lighter at the concert; Trick-or-treating; and a lesson in French - braiding your own hair; Randy - Rainbow and the Big E; that weird noise hanging upside down at 2 in the morning, and a great big thanks for all your patience with me. To A.F. I leave softball season; the coach; the Haunted Train Ride; rides to school; basketball games; and a voice - ectomy for Papa - Louie. To A.F. I leave our neighbors home renovation at 7 a.m.; luck at a bingo game; the Brave Little Toaster Fan Club; a prom meeting that EVERYONE can attend; Bingo at the Carnival and all the free games; and all the Juck in the world. To C.B. I leave A and B period sophomore year; Dan - Dan the German man; Meg's intro; to flirting; the Scarlet Letter; a pair of Guess jeans; a fun night of pool at T and S; a garden; a giant car show on your lawn; Erik Munday; rides in the vette - chevette; my cod brother; and a dog that uses all four legs. To C.S. I leave a great big thanks for listening to me - I'll miss our history chats; a pair of cowboy boots and hat - I always knew you were jealous of Sean; a stop sign around the corner; and basketball games; Drivers Ed.; Donkey (Hee Haw Hee Haw) Basketball; government corn and a lesson in jive. To J.B. I leave K's class; patience with S.L.; a tolerance for people we don't get along with. To V.H. I leave Mrs. Okun's 6th grade English/Reading class; Vanna White; a grinder; freshman gym class; your very own corner; and many thanks for always remembering the berly. To B.D. I leave an outhouse in Maine; the patience to explain things to me; french class - sorry; a drive in your car; ice - skating; and a regular hockey helmet. To S.C. I leave Physics class; Mr. Oliver; a full tank of gas for the grocery - getter; a rolling of the eyeballs; memories of a great friendship; and a moose. To everyone else, thank you, and keep smilin'!

The last four years have gone by so quickly. There have been happy and sad times, friendships that have come and gone, and those that will always be. There's a whole new life that will soon begin and I'm both excited and scared for what lies ahead. Jill - We've known each other for a long time. You're a good friend and always will be. Camp with MOT, Weebie, the heater with Jeremy, getting caught sneaking in, the woods (Fire!), drinks under the steps, B-Ball games, and tons of other memories. You'll always be a good friend. Luv ya. Lore - You're crazy! French class was the best with you. Wanna play cards? Walk with a twinkle in your eye, a smile on your face, and love in your heart. Amanda - I'm so glad we got to know each other. You're one of a kind. Only one more year left.

I'll miss you next year Heather - Thanks for everything: Prom, French. Good Luck Erin and Amy DiGennaro, Lisa, M.O., J.M., Meleski, Garv. Look back with a tear, but look forward with a smile.

## Dear Jeff,

- We know that life hasn't always been easy.
- But you have inner strength and powers you haven't even used yet.
- You can do things you never thought you could.
- There are no limitations to what you can do except those in your own mind.
- Never think that you cannot.
- Think only that you can.
- And don't forget to dream.
- Make them your dreams.
- Cherish them all through your life.
- Never let them go.
- We will always be there for you with our love and support.
- You're the greatest!

All Our Love,  
Dad, Mom, and Juli
